Micromanage is a strategic card game with mass market appeal that takes an irreverent and amusing look at corporate life.

GAME BASICS:

1. Build a team by hiring Employees from the Hiring Pool.
2. Play Resource cards to help your team and undermine your rivals.
3. Earn Gold Stars when a Boss shows up, based on team Productivity.
4. Achieve corporate Goals to earn bonus Gold Stars.
5. Earn the most Gold Stars to win the game.

The executives launched the Gold Star Initiative to reward rising stars in our organization. Your job is to maximize your team's productivity, within budget, and achieve critical corporate goals.

Unexpected boss visits will interfere with your plans, and other managers will try to poach your best talent. The manager with the most Gold Stars at the end of the fiscal quarter will be promoted!
